

Wildflowers - Dolly Parton

The hills were alive with wildflowers and I
Was as wild, even wilder than they
For at least I could run
They just died in the sun
And I refused to just wither in place

Just a wild mountain rose
Needing freedom to grow
So I ran fearing not where I'd go
When a flower grows wild
It can always survive
Wildflowers don't care where they grow

And the flowers I knew
In the fields where I grew
Were content to be lost in the crowd
They were common and close
I had no room for growth
And I wanted so much to branch out

So I uprooted myself from my home ground
and left
Took my dreams and I took to the road
When a flower grows wild

It can always survive
Wildflowers don't care where they grow

I grew up fast and wild
And I never felt right
In a garden so different from me
I just never belonged
I just longed to be gone
So the garden one day set me free

I hitched a ride with the wind
And since he was my friend
I just let him decide where we'd go
When a flower grows wild
It can always survive
Wildflowers don't care where they grow

Just a wild rambling rose seeking mysteries
untold
No regret for the path that I chose
When a flower grows wild
It can always survive
Wildflowers don't care where they grow
Wildflowers don't care where they grow
